DETAILED ACTION

Allowable Subject Matter

1. Claims 1-5 and 12-16 are allowed.
2. The following is an examiner's statement of reasons for allowance: with respect to claims 1-5 and 12-16, patentability resides, at least in part, in the plastic fan guard having a stepped front surface having a first plastic hook set thereon, at least two side walls and a rear cavity for receiving a fan, in combination with the other limitations of the claims. The prior art of record neither teaches nor fairly suggests such limitations solely and/or in combination. Therefore claims 1-5 and 12-16 are deemed allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Response to Arguments

3. Applicant's arguments with respect to claims 1-5 and 12-16 have been considered but are moot in view of the allowance.
